September 16 & 17, 2017 will be Our Fall Show

September President's Message

Our show is this month and it's a very special one because it's our society's 60th anniversary. The theme is "Celebrating 60 years of Orchids for Amateurs". The show

is on September 16th and 17th, at the South Coast Botanic Garden. Let's make it a success by volunteering to help out with any activity you're comfortable with. Show your support, stay involved, and have fun at the same time. The show committee cannot do it without your help. We still have volunteer positions and various time slots available. The more people we have the less work each of us has to do and it will make for a more enjoyable experience. If you can help with getting our supplies from storage and the setup with tables in the hall and courtyard on Friday September 15th please contact me or Karen Low. This year the society will have a "Society Sales Table" with plants donated from various members and purchased nursery plants not directly selling at our show. All proceeds from the sale will go to the society to help pay our bills and rental fees.

If you're planning on donating any extra plants you have please bring them to the garden by 8pm on Friday, September 15th. Do not bring any plants on the weekend of the show. We ask that you clean and inspect your donations thoroughly ahead of time and please make sure they are pest free. If you can volunteer on Saturday contact Marcy or Larry Bergen, and Charlie Brown for Sunday volunteers (all our phone numbers and emails are listed in this newsletter). Plant registration will take place in the hall on Friday, September 15th from 4-8pm. Clean and inspect your plants (ahead of time) that you wish to exhibit and enter for ribbon judging. We will have people on hand to assist with your plant tags and entries. Tell your relatives, friends, co-workers, and neighbors and advertise the show.

Arthur Hazboun - President August 2017

Please support our vendors, which we depend on yearly to participate in our show. Thanks to all the volunteers who work really hard to make this a successful event.

Scheduled vendors for this year's show:

Asbell Orchids	Lico Orchids
Marcel's Orchids	Beauti-Florist
Orchids and Gardens	Live Art Plantscapes
Zuma Canyon Orchids	

If you are volunteering to assist please make sure you wear your society badge proudly during the event. Remember you're representing the South Bay Orchid Society as a host or hostess. All members are asked to bring some food to feed the hungry volunteers during setup, the workers, and vendors during the show. Let June and Joann know what you're planning to bring so we will have a varied selection of goodies to feast on. Also consider bringing newspapers and empty clean usable cardboard boxes for our plant hotel for attendees and guests to take their purchased beauties home. Please direct any questions regarding the show to either Karen Low or Arthur Hazboun - our show co-chairs. Thank you and hope to see everyone at the show.

South Bay Orchid Society Fall Show and Sale - September 16 & 17

60th Anniversary edition

- **Set up** - scheduled for September 15 at 10am. If you can assist with moving show items from storage to the show please contact Larry or Marcy Bergen (310) 326-5405. We will start arranging tables in the courtyard, hall, and classrooms - any help you can give us will be very much appreciated. The more people we have the faster the job will go and put less stress on everyone. Our thanks to the South Coast Botanic Garden staff for putting up the shade cloth for us in the patio area.
- **Plant Registration** - will take place in the hall starting at 4pm. We hope you can bring in your clean, disease and pest free, blooming orchid plants for show judging. The plant classifications and registration forms are on the website and listed below - check the links shown to download.
